Practice Areas:

Banking and finance

Professional Experience

Benson joined JunHe's Shanghai branch in October 2006. He has extensive experience in banking and finance and provides legal services to the most active foreign and domestic financial institutions in both the international and PRC markets. He has represented many commercial and investment banks in a number of financing deals including syndication loans, acquisition finance, project finance, real estate finance, finance related to IPOs and restructuring in capital markets, as well as trade finance. He has also represented many financial institutions and other entities in various types of financing deals such as factor, financial leasing, insurance fund investment plans, and p2p products.

Education

Benson earned his LL.B. and LL.M. from Xiamen University in 2005.

Professional Associations

Benson became qualified to practice law in the PRC in 2006.

Language Skills

Mandarin and English
