

JunHe LLP provides a leading offering in cross-border M&A transactions, particularly joint ventures, foreign direct investments and divestments. It is a popular choice for multinational companies on inbound investments, and is also becoming a sought-after team for large domestic corporations and investment firms on outbound deals and private equity transactions.

Corporate and M&A

A full-service commercial law firm, JunHe has placed Corporate/M&A law at the core of its practice and development since our establishment. Starting in the 1990s with the wave of foreign investment, growing in the era of reforms with the testing of pilot investment models and now becoming a helping hand for Chinese enterprises in overseas investment and international strategy, our Corporate/M&A practice mirrors the success of China's economic boom.

Our Team

JunHe have a very robust Corporate/M&A practice across our offices, comprised of over 100 attorneys recruited from top law schools and firms. We adhere to the highest standards of legal service and deliver tailored legal advice to domestic and international clients. We are frequently involved in landmark deals that impact the commercial landscape of China and the world, and we win continuous praise from clients as well as prestigious legal accolades and awards for our high level of professionalism and service quality.

JunHe, founded in Beijing in 1989, is one of the first private partnership law firms in China. Since its establishment, JunHe has grown to be a large and recognized Chinese law firm. The firm has fifteen offices around the world and a team comprised of more than a thousand professionals.

Based on our outstanding track record and stellar reputation, we have been consistently ranked as a Band 1, Outstanding Practice and Top-tier Recommendation law firm in Corporate/M&A in China by Chambers Global, Asia Law & Practice, The Legal 500 Asia Pacific and International Financial Law Review for many years.

M&A

The team (JunHe) have a good understanding of our industry and can apply legal requirements to real-life issues and provide practical advice.
