Real Estate and Construction

JunHe's real estate and construction team is one of China's premier legal service providers in the sector. The real estate and construction team is committed to providing quality services to clients who intend to expand their businesses and invest in China's real estate market, and those clients with businesses in the area of construction, asset-backed securities and publicly offered infrastructure REITs. In a commercial and regulatory environment that is complex, evolving and often local, we make every effort to deliver clear professional legal solutions. Our solutions are designed to be acceptable to the authorities, thereby meeting our clients' commercial needs and assisting them in accomplishing their business goals.

Our Team

JunHe's real estate and construction team is composed of more than 30 lawyers, including over 10 partners who work from our Beijing, Shanghai, Guangzhou, Shenzhen, Hangzhou and Chengdu offices. Many of our lawyers are internationally educated and have long-term significant experience in the real estate and construction industries from working with reputable global law firms and multinational companies. They also include locally trained professionals with experience and expertise in representing clients in numerous complex real estate projects.

The partners leading JunHe's real estate and construction team are highly regarded within the industry and Chambers Asia-Pacific, Asia Law & Practice and The Legal 500 have consistently recognized more than one third of our partners as Band 1, leading or recommended lawyers.

Our Core Areas of Practice

- Mergers and Acquisitions (M&A) and investment in the real estate sector, including the financing, management, leasing, sale and purchase of real estate projects and properties.

JunHe, founded in Beijing in 1989, is one of the first private partnership law firms in China. Since its establishment, JunHe has grown to be a large and recognized Chinese law firm. The firm has fourteen offices around the world and a team comprised of more than a thousand professionals.

JunHe represents both SOEs and private firms, and is well placed to advise on share and bond issuances. It leverages the firm's solid finance law expertise and collaborates across departments to provide a one-stop service for clients.
