Practice Areas:

Outbound Investment
Private Equity/Venture Capital
Corporate and M&A

Professional Experience

Ms. Zhang joined JunHe in 2006, and she has worked in both our JunHe Shanghai office and Jun He New York office. She was relocated to JunHe Hong Kong office from New York in 2012 and has practiced in our Hong Kong office since then.

Ms. Zhang specializes in offshore various fund formation and downstream investment transactions, out-bound investment and cross-border M&A transactions, asset management and wealth management companies' multi-faceted cross border investment, equity, debt or structured financing transactions.

Ms. Zhang has represented many Chinese sponsors and institutional investors (including Ministry of Finance of the PRC) in their fund formation projects with various offshore fund structures. For outbound investment and international bidding acquisition projects, Ms. Zhang is well-versed in representing Chinese companies in their world-wide investments. She is not only profound and seasoned in Chinese culture but quite sophisticated with both HK and international business and trading rules and regulations. She has been fairly active and experienced in representing startups, entrepreneurs and pioneering VCs from the perspective of overall legal and business compliance in the field of new economy, new consumption, hardcore science, artificial intelligence and healthcare.
